All drawings and renderings are from the Mayfield Heights Commercial Corridor Design Manual by AECOM.
Welcome to the 2018 Edition of the City Focus State of the City. There has been considerable concentration this past year to ensure that development is in line with our long term goals and plans. The guidelines contained in the Mayfield Heights Master Plan have resulted in significant investments and accomplishments.

- Golden Gate Plaza’s $3.1 million renovations now underway highlight the intent of the design plan. The exciting changes include new tenants, façade and signage upgrades and the addition of green space. The Golden Gate project came to fruition with the collaboration of our building department, administration and a host of others.

- The Bridgeport Development located at Lander and Cedar Roads is a single family cluster home development with sites for 47 new homes. This new development adds to the wide range of housing styles in our community that enable residents to remain in the city at all stages of their life.

- The Atrium Transitional Care Facility on Lander Road is another valuable addition to our community. It serves individuals in need of short term post-acute rehabilitation and/or long term nursing care.

- Oakville Park improvements, now in progress, focus on safety, accessibility and maximizing use of the park to meet the needs of all generations. Park space is critical to building community.

All of our future plans are supported and upheld by the excellent services provided by the various city departments. It takes a team to implement the plans, maintain daily operations and meet the needs of our community.

- The police and fire departments continually update their policies and procedures to conform to government standards and regulations which ensures the health, safety, and welfare of our residents.

- The service department continues to provide exemplary service maintaining city streets, properties and parks.

- The operations of the departments of finance, parks and recreation, office of compliance standards, law department, city engineer, and Community Partnership on Aging compliment the overall efforts of maintaining and supporting our vibrant city.

My goals for 2018 are the completion of the Oakville Park Project, a continued focus on our roads program and, most importantly, a Mayland Shopping Center Development Project. Along with these goals, I have launched a Community Relations initiative to build on partnerships with our business community and strengthen economic development. I have every confidence that together we can achieve these goals and continue to make substantive changes that will elevate our community and the lives of our residents for years to come.

Yours truly,

2017-27 Adopted 12/11/17
An Ordinance making appropriation expenditures of the City of Mayfield Heights, State of Ohio, during the period of January 1, 2018 to and including March 31, 2018.
I am honored and humbled to have been elected to serve our community as Judge of the Lyndhurst Municipal Court. Since taking the bench on January 1, 2018, I have been working with Court personnel to assess all aspects of the Court to determine how we can best serve our community. The Court has set several goals to achieve this purpose.

This year, the Court is focused on modernizing the Court, increasing transparency, being more accessible, and expanding the Court’s community outreach.

**Modernizing the Court and Increasing Transparency**

One of the Court’s main goals this year is to overhaul the Court’s website to make it more functional and user-friendly. The Court will begin accepting online payments in 2018, making it more convenient for individuals to satisfy monetary obligations to the Court.

The Court is also hoping to implement electronic filing, which allows case documents, such as pleadings and motions to be filed with the Court electronically. These improvements will not only make the Court more accessible but will also improve efficiency.

The Court will also look to increase transparency in 2018. The Court is looking to accomplish this by imaging all court filings and journal entries and making these documents viewable online. In addition, the Court hopes to begin posting case details online, such as bond information and sentences imposed. These upgrades will make the Court more transparent and help bolster the public’s confidence in seeing that the Court treats all individuals appearing before it fairly.

**Community Outreach**

The Court is committed to planning and hosting programs throughout the year that engage the community on a wide variety of topics and make the Court accessible to all. A few outreach programs that the Court would like to initiate in 2018 are:

- **Town Hall Forums** - the Court hopes to coordinate with Mayor DiCicco, members of City Council, and Chief of Police Bitter to hold quarterly town hall forums. At these forums, residents would have an opportunity to ask questions and raise concerns to their local government officials.

- **Court in the Classroom** - the Court would like to bring court proceedings to our schools. The Cuyahoga County Court of Common Pleas started such a program a few years ago and it has been well-received. The Court would create a courtroom at school and select certain cases that would be impactful for the students. Students will get to see defendants sentenced to probation for non-violent crimes and witness plea changes that demonstrate how a person’s constitutional rights are protected. This program would be geared toward students in middle school and high school, and seek to give them real life experience as to how the judicial system works. In addition, our youth would see, firsthand, that poor choices have real consequences.

- **Senior Citizens** - the Court will continue to hold programs for our senior citizens to educate them concerning scams against the elderly and to reinforce personal and traffic safety practices.

- **Community Service** - this year, the Court will implement a community service program that is responsive to the needs of our community. The Court will place some non-violent, low-level offenders with non-profit and government agencies in need of completing certain tasks, that may otherwise be left undone due to low manpower or funding issues. These individuals, working under close supervision, will repay society, and satisfy the Court’s sentence by serving our community.

It is the Court’s hope and expectation that most, if not all, of these goals will be met in 2018. In doing so, the residents of Mayfield Heights will be better served by its Court. While I am thankful for the opportunity to share with you the Court’s goals this year, I welcome your input on how the Court can best serve our community. Thank you.
Health Care

The City of Mayfield Heights is committed to the health and welfare of its employees and prudent expenditure of tax dollars. A Health Care Committee was established for the purpose of reviewing usage, studying cost containment programs and options for health plan coverage (medical, dental, vision and prescription) and recommending changes to the plan and benefit levels. The committee was able to choose medical and prescription drug coverage that was quoted at a -3.89% savings from 2017. The dental and vision plans were a two year contract that runs through 2018. Therefore, there was no increase in that plan. The committee will continue to research and implement means by which to contain our costs.

2018 Goal
Continued Management of the Cost of Healthcare Benefits

Our goal is to continue to employ methods by which to manage the cost of health care benefits. Those methods include education, programs and tools that enable employees to live healthier and to become better health care consumers.

2017 Retirements

It is with sincere gratitude for their service that we announce the retirements of four employees in 2017. Each has been an integral part of the city for over twenty-four years. Their hard work and commitment are worthy of admiration. We extend to them our best wishes in the years to come.

2017 New Hires

The city welcomed new hires in the fire, police and service departments in 2017.

Fire Department

Danny, Joe, Justin and TJ were hired in the first half of 2017. All came to us with previous experience as Firefighter/Paramedic’s with other agencies. The city was able to obtain a grant for three of the hires through the FEMA SAFER Grant (Staffing for Adequate Fire & Emergency Response).

Police Department

Mike joined the department in the first half of 2017 while Brody and Filipp came on board during the last half of the year. All came to us with previous experience as Patrolman with other law enforcement agencies.

Service Department

Tim, Cameron and Joe were hired on February 13, 2017. Tim was previously employed with another government agency, Cameron worked many summers for our city and is a United States Army Veteran, and Joe worked in the private sector.

2017 Promotions

Police Department

Sergeant William Dvorak
It is with pleasure that we announce the promotion of one of our police officers, Sergeant William Dvorak, a twenty-one year veteran of the force. Bill was promoted to Sergeant in May 2017 based on his training, experience, leadership skills and the professional administration of his duties.

2017 Retirements

It is with sincere gratitude for their service that we announce the retirements of four employees in 2017. Each has been an integral part of the city for over twenty-four years. Their hard work and commitment are worthy of admiration. We extend to them our best wishes in the years to come.

Fire Department

Firefighter/Paramedic George Durichko
George joined the fire department in December 1987. For thirty years, he drew upon his training and experience to perform remarkable acts that saved lives and property. George retired in February 2017.

Police Department

Sergeant Robert Cunningham
Bob began his career as a police officer in October 1984 and was promoted to the rank of Sergeant in 1999. His courageous service provided comfort and protection to the community for thirty-three years. Bob retired in May 2017.

Police Department

Corporal Robert Lord

Service Department

Paul Goetz
Paul served the city part-time and then full-time from March 1993. His mechanical ability kept both the community center and city hall operating smoothly for twenty-four years. Paul retired in June 2017.

### 2018 Goal

Revitalization of the Retail District

The Commercial Corridor Design Manual was drafted by professionals, the Mayor, City Council, Board Members, business leaders and residents. Its adoption by City Council defines specific elements and features critical to the revitalization of the retail district.
### Census Information for the City of Mayfield Heights, Ohio

#### Population
- Population, 2016 estimate: 18,731
- Population, 2010 (April 1) estimates base: 19,155
- Population, percent change, April 1, 2010 to July 1, 2015: -2.2%

#### Age and Sex (v. 2010)
- Persons under 5 years, percent, 2010: 4.8%
- Persons under 18 years, percent, 2010: 17.6%
- Persons 65 years and over, percent, 2010: 23.8%
- Female persons, percent, 2010: 54.7%

#### Race Age and Sex (v. 2010)

#### Geography Quick Facts
- area in square miles: 4.17
- Population area square mile: 4,595.7
- FIPS Code: 3948482

For more census information go to www.census.gov
Total property taxes for a $100,000 home are $3,066 based on the effective tax millage of 87.598. The net tax is further reduced by a non-business credit and an owner occupancy credit. In addition, the Homestead Exemption Program will further reduce the net tax for the residences of anyone 65 years of age or above. The effective tax millage and credits applied to the property are based on information from the Cuyahoga County Treasurer’s office, which can be found on the tax bill. Property owners may confirm their actual property taxes by visiting the Cuyahoga County Treasurer’s website at www.treasurer.cuyahogacounty.us. Click on view and pay your taxes, then enter your permanent parcel number, property owner’s last name, or the address of the property. If your taxes are paid by a mortgage holder, you may want to use the county website to obtain this information if not provided to you.

**2017 Broken down by taxing districts, the dollar allocation is:**

(For a $100,000 home = $3,066)

2018 Goal Community/Public Education

Fire and life safety education is an effective means for establishing fire safe behavior. It also promotes understanding and acceptance of regulations and technologies that can improve safety within homes, businesses, and institutions. Furthermore, educating the public about how to prevent fires can contribute significantly to reducing firefighter deaths.

2017 Installations
As a service to the community, the Fire Department installs the following items:
- Car Seat 73
- Lock Box 44
- Smoke Alarm 62
- Smoke Alarm Battery 70

Victims Advocacy Program
MHPD has a new program to assist victims of crime. The program was established with volunteer advocate Alison Corpus who will connect victims to resources and provide prevention tips. Contact Alison at alisoncorpus@mayfieldheights.org or 440-442-2626 x379.

Safe Passages Initiative
MHPD is partnering with other local police departments to provide a path to recovery for people addicted to opiates/heroin. A person interested in a recovery program can walk into the police department and ask for help. A partnership has been formed with local detox and recovery clinics that can expedite the admittance process. Assistance is available at MHPD Monday through Friday from 8:00 a.m. until 4:00 p.m. Questions about the program should be directed to Sgt. Anthony Mele at 440-442-2626 x386.

2017 Auxiliary Police Volunteer Hours
Auxiliary Officers 21
Volunteer Hours to the City 3,000

2018 Goal Accreditation from CALEA
The purpose of CALEA’s Accreditation Programs is to improve the delivery of public safety services, primarily by maintaining a body of standards developed by public safety practitioners, covering a wide range of up-to-date public safety initiatives; establishing and administering an accreditation process; and recognizing professional excellence.
2017 Highlights

New Programs
Community Partnership on Aging added several new programs this year including the Village Forum Aging in Place series and an annual symposium sponsored by our newly invigorated Advisory Board. 2017 also saw the return of favorite community events like the Senior Day Luncheon and Movie, co-sponsored by Atlas Cinemas, and the Fourth Annual Five City, Five Alarm Chili Cook-Off. Both of these popular events were held at the Ross C. DeJohn Community Center.

Health & Wellness
Besides a variety of special programs and events, Ross C. DeJohn Community Center is the site of health and wellness activities, educational events, ongoing fitness classes (including yoga and line dancing) and movies that keep residents healthy and engaged. Please check our website, www.communitypartnershiponaging.org, for additional programs, events, and classes located throughout our five city service area.

Produce Plus
In late 2017 CPA, in partnership with the Greater Cleveland Food Bank, started Produce Plus to distribute 2500 pounds of fresh produce and limited groceries to eligible seniors 60+ years of age with a household income of $2010/one person household or $2706/two person household. There is no need to sign up in advance; participants simply come to the South Euclid Community Center on the third Thursday of the month from 10:30 AM – 3:30 PM to shop for vegetables, fruits and other groceries. Participants are required to bring an Ohio Driver’s license or State ID.

CARE Program
CPA launched the CARE program in April of 2017, funded by the Cuyahoga County Department of Senior Adult Services. The initiative is designed to improve the safety of older adults in eight Cuyahoga County cities including Mayfield Heights. CARE members pay a low annual fee to access assistance with simple interior and exterior home tasks provided by local volunteers. For more information, please contact our CARE Program Coordinator at 216-970-0599.
In 2018, CPA is celebrating our fortieth year of providing important services and supports to older adults in our service area. CPA is planning many special events to mark this important year. Please follow us on Facebook, Pinterest, and Instagram or pick up our monthly newsletter to keep current on what is going on each month.

Food Security Programs

**Senior Farmers’ Market Nutrition Program** provides $50 in coupons for fresh, locally grown produce available at local farmers markets. CPA received 400 coupons to distribute in 2017.

*MH recipients: 166 / 41.5%*

**Congregate Meal Program** includes Café Lunch and Lunch ‘N’ Movie offered weekdays in rotating locations within our service area. CPA provided 6200 meals in 2017.

*MH recipients: 1500*

**Fresh Goods to Go Program** recipients received a monthly tote filled with produce. Program discontinued in September 2017.

*MH participation: 35%*

**Transportation** provided through a partnership with Senior Transportation Connection is available to eligible riders to destination including local shopping, individual health care and other appointments, and to and from agency programming. CPA provided 6488 rides in 2017.

*MH rides: 57%*

**Safe at Home Program** offers minor home modifications to eligible older residents.

*MH applicants: 42%*

**Social Worker Outreach and Counseling services**

*MH recipients: 379 / 54%*
Youth Programming
Youth programming consists of designing structured classes and programs for different age groups. It is important to offer programs for each age, skill level and ability for our young residents. Programs may be divided by age, classes or sport, and camps or leagues. Two of our most popular programs are Day Camp and LBJ Basketball. Day Camp offers children entering kindergarten through sixth grade a summer filled with daily activities, sports and games, swimming and the famous Day Camp Talent Show. LBJ provides an opportunity for kids in grades K-1 and 2-3 to participate in an organized basketball league.

Special Events
Special events have evolved throughout the years to reach a wider range of ages in our community. One of our most encompassing special events is the annual Unity Days celebration. It is designed to appeal to residents of all ages with great food and entertainment and a parade and fireworks. There are other events geared toward specific age groups as well. Two such events are A Taste of Italy Pasta Dinner for individuals ages 21 and over and themed holiday parties for our youngest residents.

Adult Programming
Adult programming consists of a wide variety of programs, sports and events for individuals over the age of 18. Although many programs are geared toward older adults, there are many opportunities of interest for younger adults including Pickleball which is a great game for a wide variety of adults. The more popular programs are designed to provide a venue for older adults to remain in contact with their friends while enjoying new people, places and activities and leading an active and healthy lifestyle while maintaining a sense of community.

### Membership

School District residents may purchase a membership to participate in public swim time, gym use and the indoor track. Proof of residency, current gas or electric bill and a Photo ID are required. If purchasing a family or an individual for a minor age 7-17 years a birth certificate for each child must be presented in addition to the aforementioned documents. A parent must purchase a pass for anyone between the ages of 7 – 17 years old, ages 6 and under are free with an adult.

---

Featuring an indoor pool, running and jogging track, and three multi-purpose courts.
The Mayfield Heights Service Department is responsible for maintaining city property and over 100 streets in an area of 4.18 square miles. A partial list of the service department's responsibilities is: build, pave and maintain city roads; remove snow and ice; maintain department vehicles and equipment and city streets, parks, traffic signals and recycling center; mow properties cited for high grass violations; and assist other departments as needed.

We recognize our employees to be our most valued resources who are to be treated with respect and dignity. They are trained to respond safely with excellence to all tasks that may develop and as to their responsibilities as public servants. We happily work with other city departments so that the overall city mission will be accomplished.

**Core Values**

**Service** - We exist to provide the best possible service to all.

**Communication** - We listen and respond with clear, compassionate and timely communication.

**Continuous Improvement** - We value excellence through planning, learning and innovative practices.

**Integrity** - Our employees are ethical, fair, honest and responsible.

**Teamwork** - We achieve results by valuing diversity and partnerships within our organization and the community.

**2017 Road Program**

**Crack Sealing** - $64,820

For developing plans for trails on Gates Mills Blvd.

**Cuyahoga Solid Waste District**

$5,000

For recycling calendars

**ODOT**

$584,887

For Som Center Road Improvements

---

2018 Goal

To continue to provide our community with the highest quality public service that enhances the quality of life for all of our residents. Services will be provided in a prompt, courteous, safe, efficient and cost-effective manner. We will strive to plan, build, maintain and operate public infrastructure in a way that respects the environment and the ability to preserve for future generations.
Mailbox Protectors
Mailbox protectors are available to any resident with a mailbox located on the tree lawn. The device shields mailboxes from ice and snow thrown during snow plow operations. The protectors are made in-house. The program is on a trial basis and the supply is limited. Contact the service department to request yours.

Tree-Lawn Trees
Fifty-four trees were planted on residential tree lawns in 2017. Tree requests can be made on the city’s website at www.mayfieldheights.org. Search Online Forms > Service Department > Request a Tree, or call to place your order.

Sanitary or Storm Sewer Blockage
Got a blockage in your sanitary or storm sewer? Your first call should be to the Mayfield Heights Service Department at 440-442-2629. The city contracts with the Cuyahoga County Sanitary Engineers to clean, jet and camera lines from the street to your home. This is not a guaranteed solution and, in some cases, it may be necessary for you to hire a plumber. Let us work with the county first to determine if hiring that plumber is necessary.

2016-2018 AquaSalina®
The process of clearing our roadways became more effective and less costly in 2017 with the use of AquaSalina®. This is a natural brine that contains a combination of sodium, calcium, magnesium and potassium chlorides used for pre-wetting (anti-icing) pavement prior to a storm, de-icing or pretreating with rock salt. The product is dispensed from a 1,000 gallon tank retrofitted to one of our two-ton trucks. Five of our salt trucks are capable of treating ice also. This product begins the melting process as soon as the snow or ice hits the pavement and creates a bond between the pavement and snow increasing the effectiveness of rock salt. Use of this product will lead to cost savings.

Chipper Program
Brush pick up is an ongoing effort in the city’s commitment to recycling. The brush pick up schedule follows the trash collection schedule. The program is weather dependent and may be preempted by priority operations such as snow plowing. The program keeps thousands of yards of brush out of the landfill.

Recycling Center
The recycling center remains open even with the return of curb side recycling. This accommodation was made for those residents who do not have curb side recycling service. The center located in the south section of the Ross C. DeJohn Community Center parking lot is under surveillance and you may be asked for identification to ensure residency. Hours of operation are Monday and Wednesday from 6AM - 9AM and 4PM - 6PM and Saturday from 6AM - 11AM (Closed on Holidays).

In November 2017, Keep Mayfield Heights Beautiful officially became an affiliate of Keep America Beautiful which will focus on curbing the litter problem on streets and public spaces, improving recycling and beautifying the city. The organization has grants available to participating cities for recycling bins, grabbers, bags and additional supplies for cleanup after community events.
Taste of Italy Dinner
21 and over
Saturday, February 24, 2018
6:30 PM – 10:30 PM
Ross DeJohn Community Center
$30 per person
Tickets on sale at City Hall.
